Your Details Has Been Verified With E-Pramaan Meri Pahchan.
Thank You!

Step 11- After Successful verification, the Verification Status on **"Search Student Details"** page will change to **"Verified"** and "Verify through the Login Using e-Pramaan MeriPehchaan" button will disappear.

In case of "Verified" Status-

- The student's data will be visible at Institute level for forwarding the data to District nodal officer level to get the device.

- In case the data is already forwarded to District then data will be visible to District nodal officer level for selection.

Step 12- In case the details **(Name, Gender & Date of Birth)** of student on the Digishakti Portal uploaded by their respective Institute do not match with the details available on his/her Aadhaar then an alert message with mismatched details will appear.

Step 13- If the Verification Status on Digishakti Website Link shows as **"Failed"**, Student need to contact his/her Institution Nodal Officer to edit the mismatched details on the Digishakti portal or make necessary amendments in the details of his/her Aadhaar card.

In case of "Failed" Status-

- The student needs to contact his/her Institution Nodal Officer to edit the mismatched details on the Digishakti portal or make necessary amendments in the details of his/her Aadhaar card.

- After corrections, the student's data undergoes the complete authentication process (verification by institution, approval by University, and locking by Department).

- Following this, the data becomes available again for Aadhaar verification by the student.
